**Summer 2019 Internship Opportunity**  
**May – August \$17.00/hour**

**Environmental Laboratory Intern (Chemistry or Microbiology)**

Those who are a Junior or Senior level in college with concentration in **chemistry, microbiology, laboratory work, or related science field.**

This position supports the laboratory chemists by assisting with lab procedures and experimentation and performing routine housekeeping duties to help ensure that the lab runs safely and efficiently. It is a unique opportunity to gain hands-on experience in a utility industry laboratory setting. The intern will perform glassware, bottle, and reagent preparation, acid washing, and other duties as assigned. Assist with chemical inventory. Perform general laboratory cleaning. Wet methods including F-by ISE, CI-by-ISE, pH by ISE, NH3-N by ISE and titrations. Adheres to quality assurance/control procedures. Will perform other departmental tasks as assigned. Required to follow BWL Safety Manual and wear required personal protective equipment. May attend training for safety awareness or skills improvement as required by supervisor, BWL, or governmental agency such as MIOSHA.

- Willing to clean and prepare glassware and help with reagent preparation.
- Must have strong proficiency in Microsoft Office to include Microsoft Excel
- Must have proficient verbal and written communication skills

Please email\* to [bwljobs@lbwl.com](mailto:bwljobs@lbwl.com) your:

- Resume
- Cover letter

**\*It is imperative you designate the specific internship name that you are applying for in the subject line of your email. *If you are interested in more than one internship PLEASE note ALL of them in the subject line of your mail. Deadline to apply is Janauary 15, 2019.***

The Board of Water & Light (BWL) serves Lansing MI and surrounding areas with electricity, water and steam. Chartered in 1885 by a vote of Lansing's citizens, the BWL remains a public power utility in its second century of service. Lansing's city charter vests the BWL with full and exclusive management of water, steam, and electric services for the city. The American Public Power Association has honored the BWL as one of the country's best publicly-owned utilities. For more about the BWL see:<http://www.lbwl.com>.

**THE BOARD OF WATER AND LIGHT IS AN EQUAL OPPORTUNITY EMPLOYER.**
