The Board of Water & Light (BWL) serves Lansing MI and surrounding areas with electricity, water and steam. Chartered in 1885 by a vote of Lansing's citizens, the BWL remains a public power utility in its second century of service. Lansing's city charter vests the BWL with full and exclusive management of water, steam, and electric services for the city. The American Public Power Association has honored the BWL as one of the country's best publicly-owned utilities. For more about the BWL see: <http://www.lbwl.com>.
