Foreman/Trimmer

To ensure your safety and maintain reliable electric service, the Board of Water & Light tree trimming crews have completed the planned work at this location.

If the wood left on site is not wanted, you may visit [www.lbwl.com/vegetation.aspx](http://www.lbwl.com/vegetation.aspx) for a list of contacts that may be interested in removing the wood.

Thank you again for your cooperation. If you have any questions, please call (517) 702-6552.
