Medical Alert Form

If in-home medical equipment depends on electricity, sign up for our medical alert list. Call 517-702-6006, or go to lbwl.com and click on Medical Alert Form.

Seniors Shut-off Protection

If you are 65 or older, the BWL will not shut off your electricity during the heating season. Call 517-702-6006.

Military Families

Families with active members of the U.S. Military are protected from shut-offs. Call 517-702-6006.

Winter Shut-off Protection

Customers having difficulties paying their utility bills may qualify for a winter protection plan. Call 517-702-6006.

11 Things BWL Loves About Lansing!

The Lansing Board of Water & Light has been a part of the Lansing community for nearly 140 years, and there is plenty we LOVE about this community. How can you not enjoy a city full of brightness and life?

With so many things to love about Lansing, we figured it was time we would share some of our top ones!

1. Jackson Field & The Lansing Lugnuts - Go Nuts! There's nothing better than Lansing minor league baseball in the summer.
2. The Lansing Skyline with BWL's Wynken, Blynken & Nod - You always know you're home when you see the three stacks.
3. Impression 5 Science Center - The perfect museum experience to keep your kids and family active.

11 Things BWL Loves About Lansing!

continued

4. Public Art – BWL loves supporting local artists, and showcasing their art on our Central Substation in REO Town is one great way to show it.
5. Silver Bells in the City – As the presenting sponsor for Michigan’s premiere holiday event, BWL loves bringing people from all over the state together to celebrate.
6. State Capitol Building – Our state lawmakers are really getting it done!
7. Potter Park Zoo – How doesn’t visiting animals bring you joy?
8. Quality Dairy – It’s the ice cream and chip dip for us.
9. Lansing River Trail – A great place to get in your exercise on a nice day or take a nice family walk.
10. Capital Region International Airport – Having an airport right in town to jet you off to someplace warm is the best!
11. YOU! BWL customers really are the greatest!

These are just a few, but there are plenty of things that make Lansing a great place to live, work and raise a family. What are some aspects you love about Lansing? You can read more of our blogs at lbwl.com/community/information.

Appliance Recycling

Get Paid for Your Spring Cleaning!

Dreading the thought of clearing out your basement or garage this season? BWL’s Hometown Energy Savers® program wants to make spring cleaning simple – and pay you to do it. When it’s time to replace that old refrigerator, freezer, dehumidifier, or room AC, Hometown Energy Savers® will pick it up for FREE and send you a rebate check! Replacing your appliances with new, more efficient ENERGY STAR® products may also qualify you for additional incentives.

Refrigerator Recycling Realities

You’re not the only one who profits from recycling outdated equipment. Appliance recycling has major benefits for the environment, too.

- An older refrigerator uses twice as much energy as a new ENERGY STAR® refrigerator.
- Recycling old refrigerators prevents refrigerants and foam from entering the environment, preventing 10,000 pounds of carbon pollution.
- Refrigerators that are 10+ years old can consist of 120 pounds of steel, which can be recycled and reused.

Appliance Recycling Rebates

Eligible Items	Specifications	Rebate Amount
Refrigerator	Full size. Must be between 10 and 30 cubic feet using inside measurements.	\$50
Chest Freezer	Full size. Must be between 10 and 30 cubic feet using inside measurements.	\$50
Refrigerator	Compact	\$25
Freezer	Compact	\$25
Room Air-Conditioning Unit		\$25
Dehumidifier		\$25

You may recycle up to two refrigerators, freezers, room air conditioners and dehumidifiers per year.

Ready to schedule your pick-up? Call (800) 573-3503 Monday–Friday between 8 a.m. – 5 p.m. or complete the form online at lbwl.com/appliancerecycling.

Recycle Rama is Back!

The area’s largest recycling event will take place on Saturday, April 22 9 a.m. to 2 p.m. 5303 S. Cedar St., Lansing

BWL residential electric customers may take this opportunity to recycle older, working room air-conditioners or dehumidifiers and receive a \$25 rebate (limit two of each unit per household).

For additional information on what can be recycled, visit recyclerama.org or Facebook.com/MidMichiganRecycling

Volunteers are needed and can sign up at signup.com/go/GroMPgM
