

Delta Solar Park

On Wednesday, August 29, the Lansing Board of Water & Light, in partnership with EDF Renewables and CMS Energy, held a ribbon cutting and dedication ceremony for the Delta Solar Park, located off Guinea Road in Delta Township. The park's 24 megawatt capacity makes it the second largest tracking array in Michigan and will provide enough electricity to serve approximately 3,300 homes in the greater Lansing area. Delta Solar is the newest edition to the BWL's renewable portfolio and will help contribute to the BWL's goal of providing 30 percent clean energy by 2020 and 40 percent by 2030.

Control Your Motors - and Control Your Energy Bill

Did you know that motors consume more electricity than any other end-use device? Does your business rely on electric motors for operations such as powering compressors, pumps, fans and blowers? If so, you can save energy on your motor usage - and earn rebates from the Hometown Energy Savers® Business Program - by adding variable frequency drives (VFDs). A VFD project could be just what your business needs to boost its bottom line.

To learn more, call 877-NRG-LBWL (877-674-5295) or visit lbwl.com/energysavers.

Pennies for Power helps provide shut-off protection for BWL customers who are struggling to make ends meet.

There are four ways to help:

 **Round Up**
Round up my monthly utility bill to the next whole dollar

 **Add \$1**
Add a dollar to my monthly bill

 **Round Up and Add**
Round up my monthly bill to the next whole dollar and add \$_____

 **One Time Donation**
Enclosed is a check for \$_____ as my one-time contribution to Pennies for Power

Get Instant Savings When You Buy LEDs!

Light-emitting diodes (LEDs) are the most efficient light bulb available, cutting energy use by nearly 80 percent! LEDs also have a long-life span and are available in a wide variety of styles and colors. Switching your lights to LEDs can be one the quickest and easiest ways to start saving energy and money instantly.

Through the BWL Hometown Energy Savers® program, you can save even more.

For more information, call 800-573-3503 and find the full list of participating retailers at hometownenergysavers.com/retail-lighting.
