Solar Electric Systems

Solar electric modules and inverters must be listed on the California Energy Commission’s list of eligible equipment (www.gosolarcalifornia.ca.gov/equipment/index). System owner is required to install a disconnection device and obtain approval for interconnection in parallel with Lansing Board of Water & Light’s distribution systems.

Terms and Conditions

This offer is valid only for Lansing Board of Water & Light electric customers for a limited time. Offer is good while funds are available and is on a first-come, first-served basis. Register receipt/invoice will be used to verify purchase date and/or installation of qualified equipment. Offer redeemable by mail, email or fax. The Lansing Board of Water & Light reserves the right to withdraw or change this offer without notice. Rebates may not exceed purchase price (or \$2,000 per site per calendar year). Ineligible rebates are subject to denial or repayment to program. The program is not responsible for applications lost, damaged or not received. For any questions, please contact the BWL at 800-573-3503 or email distributedgeneration@lbwl.com.
