

Ready to get your rebate? Follow these 3 simple steps.

Step #1: Confirm the details

- ► You are a BWL residential electric customer.
- ► Items were installed or purchased between January 1, 2025 and December 31, 2025.

Step #2: Attach a copy of your receipts

- ▶ Please provide copies of all receipts and/or invoices from product purchases or installations.
- ➤ Your receipt or invoice must clearly indicate the equipment type, make, model, price and date of purchase or installation.

Step #3: Get your rebate

- ➤ Submit completed application with all required documentation. It is recommended that applications be submitted within 90 days of purchase and/or installation, as funds are limited. Applications received after December 31, 2025 will not be accepted.
- ► For the full program Terms and Conditions, please refer to page 4 of the application.

Heating & Cooling

For central air conditioning and central air-source heat pumps, the indoor coil and outdoor condenser must be a matching set and installed on the same date to be eligible. Select Seasonal Energy Efficiency Ratio (SEER2) rating based on the manufacturer's rating without an Electronically Commutated Motor (ECM), unless the invoice provided also includes a high efficiency furnace with ECM. Mini-split ductless air-source heat pump must be replacing electric resistance heat or an air-source heat pump to qualify for the rebate. SEER2 ratings are based on information from the AHRI Certificate, not the invoice or specification sheet. Heat pump efficiency can be verified at: AHRIIdirectory. org and/or ashp.neep.org. ES = ENERGY STAR. Verify products at energystar.gov/products.

Important Information

- 1. Incomplete applications cannot be processed for payment.
- 2. It is recommended that applications be submitted within 90 days of purchase and/or installation, as funds are limited. Applications received after December 31, 2025 will not be accepted.
- 3. Notification of problems with incomplete applications will be sent via email or U.S. Mail.
- 4. Applicants will be given 60 calendar days to respond before application is deemed ineligible.
- 5. A rebate check will be mailed to you for qualified products. Please allow 4 to 6 weeks to receive your rebate check from the time your application is received by the Hometown Energy Savers® Residential Program.
- For ENERGY STAR® pool pump or ENERGY STAR heat pump water heater rebates, you must provide (1) a copy of the equipment invoice showing date of installation, and (2) specification sheets that clearly state the features and/or efficiency rating of the unit(s), with your application form.
- For central A/C, central air-source heat pump, and mini/multi-split heat pump rebates, you must provide the AHRI Certificate.
- Smart thermostats must control an HVAC system with central A/C and/or electric heat.
- For central A/C tune-up rebates, an invoice must be provided showing date of service and completion of operation and maintenance tune up. If tune-up was provided free of charge through a maintenance plan, the original maintenance agreement must also be provided to receive rebate.

**A comprehensive A/C tune-up should include the following checklist items:

- · Clean and inspect outdoor coil
- Inspect indoor coil if accessible
- · Clean or replace air filter
- · Check amps/voltage
- · Inspect and lubricate blower
- Clean, inspect and lubricate motors
- Check thermostat operation and control sequence
- · Check/adjust refrigerant charge
- · Confirm proper air flow
- · Check condensate drain
- · Clean debris from around condenser
- Perform visual inspection of entire A/C system

Terms and Conditions

This offer is valid only for Lansing Board of Water & Light <u>residential electric customers</u> for a limited time. Offer is good while funds are available and is on a first-come, first-served basis. Program begins January 1, 2025, and ends December 31, 2025. It is recommended that applications be submitted within 90 days of purchase and/or installation, as funds are limited. Applications received after December 31, 2025 will not be accepted.

Offer valid on central air conditioning systems \geq 14.3 SEER2 (SEER rating is based on AHRI certificate, not the invoice or spec sheet), central air source heat pump systems \geq 15.2 SEER2, mini/multi-split air source heat pumps \geq 17 SEER2, central air conditioning tune up, ENERGY STAR heat pump water heater (EF \geq 2.0), and ENERGY STAR pool pump.

Register receipt/invoice will be used to verify purchase date and/or installation of qualified equipment. Products must be new and operational. Refurbished, used, and open box products are not eligible for rebates. Rebates not applicable to new construction. Offer redeemable by mail, email or fax.

The Lansing Board of Water & Light reserves the right to withdraw or change this offer without notice. Rebates may not exceed purchase price. Ineligible rebates are subject to denial or repayment to program. The program is not responsible for applications lost, damaged or not received.
