Terms and Conditions

This offer is valid only for Lansing Board of Water & Light residential electric customers for a limited time. Offer is good while funds are available and is on a first-come, first-served basis. **Completed documentation needs to be received within 60 days of purchase/installation date.**

Register receipt/invoice will be used to verify purchase date and/or installation of qualified equipment. Products must be new and operational. Refurbished or used products are not eligible for rebates. Rebates not applicable to new construction. Offer redeemable by mail, email or fax.

The Lansing Board of Water & Light reserves the right to withdraw or change this offer without notice. Rebates may not exceed purchase price. Ineligible rebates are subject to denial or repayment to program. The program is not responsible for applications lost, damaged or not received.

Electric Lawn Tools. Lansing BWL electric customers need to make a qualifying electric lawn tool purchase to receive the rebate. Any customer seeking the recycled tool rebate for a given tool must recycle an existing gas-powered tool of the same type (e.g., mower) and comply with the following. Drain the gas-powered tool of all fluids and bring it to either:

PADNOS Lansing
1900 W. Willow Street
Lansing, MI 48917

or **Friedland Industries**
405 E. Maple Street
Lansing, MI 48906

Ask for a Lansing BWL recycling receipt and include it with this application. Residential customers must own the units being recycled. Limit one rebate (tool only or tool plus recycling bonus) for each type of electric tool per year.
