Certifications and Signature

I hereby certify that: 1. The information contained in this application is accurate and complete; 2. All rules of this incentive program have been followed; and 3. I have read and understand the terms and conditions of this application.

I agree to verification of equipment installation which may include a site inspection by a BWL representative. I understand that I am not allowed to receive more than one incentive from this program for any one piece of equipment. I hereby agree to indemnify, hold harmless and release the utility from any actions or claims in regard to the installation, operation and disposal of equipment (and related materials) covered herein, including liability from any incidental or consequential damages.

Confidentiality Statement:

I understand that my submittal of the above requested information is for the sole purpose of my program participation. I further understand that this information will be treated as confidential to the extent permitted by law.

Please sign and complete all information below. Customer signature is required for payment.

To receive your Cash-Back Incentive:

- 1. Purchase and install qualified equipment and complete and sign Interconnection Application
- 2. Attach a copy of the equipment invoice with the application form; showing date of installation, and specification sheets that clearly state the efficiency rating of the unit(s).
- 3. Include a completed and signed application with all other required materials including documentation showing the model and serial number. Incomplete applications or applications submitted without other required materials will be denied.
- 4. A check for your incentives will be mailed to you for qualified products. Please allow 6 to 8 weeks to receive your incentive check from the time your application is received by the Hometown Energy Savers[®] Program.

Terms and Conditions:

This offer is valid only for Lansing Board of Water & Light electric customers for a limited time. Offer is good while funds are available and is on a first-come, first-served basis. Register receipt/invoice will be used to verify purchase date and/or installation of qualified equipment. Offer redeemable by mail, email or fax. The Lansing Board of Water & Light reserves the right to withdraw or change this offer without notice. Rebates may not exceed purchase price(or \$2,000 per site per calendar year). Ineligible rebates are subject to denial or repayment to program. The program is not responsible for applications lost, damaged or not received. For questions contact John Krzystowczyk at 517-702-6622 or email jmk1@lbwl.com.

Solar Electric Systems:

Solar electric modules and inverters must be listed on the California Energy Commission's list of eligible equipment (www.gosolarcalifornia.ca.gov/equipment/index). System owner is required to install a disconnection device and obtain approval for interconnection in parallel with Lansing Board of Water & Light's distribution systems.

Submit your completed application to:
